

**Dear Resident**

I hope this finds you and your family well.

Elections for Cornwall Council and St Austell Town Council are due to take place on 6th May 2021. The number of Cornwall Council members is being reduced from 123 to 87, hence the wards have been re-drawn and increased in size. Parts of Holmbush will now be joining Bethel.

As part of my effort to learn about the local issues which are of most concern to you as a resident, I would much appreciate it if you could **complete this short survey and return it in the post. No envelope or stamp is required.** Alternatively you can **complete the survey online** (and save the cost of postage) at:

Please be assured that, to protect your privacy, your reply and personal details will remain anonymous. They will not be shared with any third party, at any time.

Thank you very much for your cooperation.

- ✔ Work to ensure that everyone has access to reliable and affordable transport.
- ✔ Support health and social services provision that meets the needs of local people whilst allowing them to lead the life they choose.
- ✔ Work with fellow councillors and other organisations to provide the best outcomes for local people.
- ✔ Be both a listening ear and a voice for those I represent.

## About Me

in Poltair and in Bethel ward for 6 years. I feel at home here and enjoy being part of a vibrant and very welcoming community. I am proudly Cornish.

I have a background in admin and later in rights. Some roles were a combination of the two, all included dealing with people. I have held both paid and voluntary roles. I am currently a Trustee of START (St Austell Revival Together) We run the Clothes Bank, Swap Shop, and Crafty Chat, a mental wellbeing group. I am also a member of the St Austell Marie Curie Fundraising Group.

I joined the Labour Party in 2015 and am currently in my second term as Disability Officer. My role involves helping disabled members to become as involved with our activities as they wish, and supporting other officers in planning events and policies that are inclusive.

More generally I have been actively involved with campaigning being a regular at street stalls, and undertaking telephone canvassing. I also assist constituents with welfare rights work and other related questions.
