

Dear Resident

I hope this finds you and your family well.

The elections for Cornwall Council will take place on May 6th 2021. The number of Cornwall Council members is being reduced from 123 to 87, hence the wards have been re-drawn and increased in size. Parts of Newquay Porth and Tretherras have been joined.

As part of my effort to learn the local issues which are of most concern to you as a resident, I would appreciate it if you could **complete this short survey and return it using the freepost address overleaf**. Alternatively you can **complete the survey online** (and save the cost of postage) at:

1. Privately operated social housing is run well in Newquay Porth & Tretherras					
2. I am happy to pay an additional 2% on my Council Tax to fund adult care					
3. Care workers should have better working conditions					
4. Cornwall Council should build more genuinely affordable housing for local people					
5. We need less luxury development and more fair rent properties					
6. Addressing child poverty should be a main priority of Cornwall Council					
7. Our children and grandchildren will be better off than we are					
8. Cornwall should be at net zero emissions by 2030					
9. Cornwall council should invest in green jobs for the recovery from Covid					
10. Public transport requires more investment to make it better and cheaper to use					
11. Cornwall council should invest in designated cycle lanes to make it safer for residents and visitors to cycle more					
12. Collecting home recycling every other week is sufficient					

Any other local issues of concern to you. Please continue on a separate sheet if necessary.

About Me

Like many young people, I was enthused to join the Labour Party when I first heard Jeremy Corbyn speak when he stood as Leader of the Labour Party. His condemnation of austerity & his vision for the future resonated with me and gave me hope. Immediately I became involved with the local Party and have been Chair, Vice Chair and Secretary at different times since then. I stood for Cornwall and Town Councils in 2017 and then was heavily involved in the 2017 General Election canvassing both in St Austell & in Newquay. I was privileged to be the Youth Delegate at two Labour Conferences representing St Austell & Newquay members. I was born in St Austell where my family still live, I work in Care and I have a 8 month old son.

I am standing for Labour in Newquay Porth & Tretherras as I want every Labour voter to have the opportunity to vote for a Labour Candidate. The pandemic has highlighted the inequalities across our area and I want to work with the residents to improve opportunities for the many, not the few.

My Voting Intentions

In the last Cornwall Council election in 2017 I voted:

Con	Lab	LDem	Ind	MK	Green	Other	None

In the Cornwall Council election in 2021 I intend to vote:

Con	Lab	LDem	Ind	MK	Green	Other	None

What are the key issues which will determine how you vote?

My Pledges To You

It is more difficult than ever for young people to get onto the property ladder due to low wages and ever rising prices.

✓ My Pledge

I will campaign to ensure that new local developments provide a greater proportion of genuinely affordable housing, and Cornwall Council expands its own provision of affordable houses to rent or buy

The pandemic has highlighted 10+ years of underfunding in our public services. It has thrown light on the working conditions in many of the roles that society relies on.

✓ My Pledge

I will continue to fight to protect our NHS, mental health support and our care workers. I will work to improve the terms & conditions of our key workers, improve access to education and support any initiative that supports life chances.

There were high profile victories by Labour Councillors who led the way by declaring the Climate Emergency and committing to 2030 carbon neutrality but there is much more to do.

✓ My Pledge

I will work with other councillors on policies to green Cornwall; improving the energy efficiency of social & council housing, making recycling work for residents, & powering Cornwall with clean green energy.

Would You Like a Postal Vote?

The Covid 19 pandemic will mean changes at the Poling Stations such as restricted numbers, the wearing of masks and used of hand sanitisers.

Even if you prefer to vote in person, it may be in your best interests to register to vote by post. You can still vote in person but you can vote by post or by proxy if necessary.

Registering is a simple process which requires you to complete a short application form. You can download a form by searching online for, "Vote By Post." or tick a box below and I will either send you the form by email or drop it through your door.

1. I am already a registered postal voter
2. Please email me a postal vote form
3. Please drop a form round to my house
